Record of Carroll County Delegation

Concord, N. H., January 11, 1933.

At the call of the Chairman, Arthur R. Shirley, of the 1931 Delegation, the delegation meeting was held in section four of the Representatives' Hall. Ansel W. Sanborn was elected Chairman and Margaret Hunter as Clerk for the ensuing term. No other business appearing the meeting was adjourned.

Margaret E. Hunter, Clerk.

Concord, N. H., January 13, 1933.

The Carroll County Delegation was invited to hear a talk by His Excellency, Governor John G. Winant, on his recommendations for a welfare worker in Carroll County. Mr. Edgar Hunter gave a talk on County government, after which the Delegation went into executive session with Ansel W. Sanborn, chairman, presiding. Roll call found all present except Mr. Shirley of Conway and Mr. Clow of Wolfeboro. Senator Gale was invited to attend and accepted. On motion of Mr. Hart, the chair appointed Mr. Davis of Conway, Mr. Mason of Tamworth and Mr. Hart of Wolfeboro as a committee of three to work with the Commissioners on the problem of the welfare worker and report their findings to the delegation as soon as possible.

Voted to adjourn on motion of Mr. Winkley.

Margaret E. Hunter, Clerk.

Concord, N. H., February 8, 1933.

The Delegation was called to order by the chairman immediately after the afternoon session in the Chamber of Commerce building. Roll call found all members present except Mr. Towle of Freedom and Mr. Clow of Wolfeboro. Mr. Hart reported for the special committee with the permission of Mr. Davis of Conway. After several conferences with Miss Patch, Secretary of the New Hamp-

shire Unemployment Relief committee, the following statement was made to the County Commissioners:

"Memo from Miss Patch to Mr. Hart,—February 6, 1933. We visited Carroll County Commissioners the other day and find that the estimated load for the entire County (both Town and County cases) will be approximately one hundred cases. Had Carroll County Commissioners taken advantage of the RFC loan earlier they would have had less than \$500.00 for the entire period which would have been available as the County case varies from twenty to thirty."

In view of this statement Mr. Hart made a motion than any further action of the Delegation be postponed. This motion was carried. Chairman Sanborn suggested that the Delegation would probably be invited to the County Farm Friday, February 17th. It was voted to invite Sheriff Welch and his deputies to meet with the Delegation at that time.

Margaret E. Hunter, Clerk.

Concord, N. H., Februray 17, 1933.

The Delegation met at the County Farm at eleven o'clock. A tour of the buildings was made. The Commissioners then served a very fine dinner to many guests, including Dr. Fred E. Clow, the County officers, interested citizens from many towns and R. F. Thurrell, President of the Farm Bureau.

Commissioner Smart presented a tentative budget. Sheriff Welch asked for an appropriation of \$200 to take care of some new equipment, such as a finger print set, camera, etc. He also expressed a desire for a new house of correction. Chairman Sanborn asked that the Sheriff send a bonafide estimate of the cost of the same to the Delegation.

Mr. Thurrell explained the appropriation which was listed for the Farm Bureau.

After a discussion of the cost of floating bonds for the County the meeting was adjourned.

Margaret E. Hunter, Clerk.

72 North Main Street, Concord, N. H., Feb. 23, 1933.

Meeting was called to order by Mr. Sanborn. All were present except Mr. Bryer of Sandwich and Mr. Hart of Wolfeboro.

The minutes of the previous meeting were read. An estimate of the cost of changing the vegetable cellar into a house of correction and building a new cellar was submitted by Sheriff Welch.

Following a discussion on bonding the County a committee of three consisting of Chairman Sanborn, Mr. Clow and Mr. Shirley, was appointed to investigate the methods of funding the debt of the County and report as soon as possible.

Mr. Clow suggested that Mr. Smart attend the next meeting giving a detailed account of the budget and report of preceding years.

Margaret E. Hunter, Clerk.

72 North Main Street, Concord N. H., March 16, 1933.

Meeting was called to order by Mr. Sanborn. All were present except Mr. Goss of Moultonboro, Mr. Mason of Tamworth and Mr. Clow of Wolfeboro.

Mr. Lockwood, State Engineer, explained to the conference what work had been done at Ossipee Lake. He believes that the particular problem at Ossipee Lake is common to many other waterways of New Hampshire, and bids fair to be a state wide proposition. He hopes to obtain proper information in order to present some legislation this winter by which action may be taken in such cases.

Margaret E. Hunter, Clerk.

72 North Main Street, Concord, N. H., May 2, 1933.

Chairman Sanborn called the meeting to order at 8 o'clock, p. m. All members except Mr. Bryer of Sandwich were present.

Mr. Sanborn reported for the sub committee to investigate the bonding of the debt. Mr. Clow moved, and the motion was supported, that we rescind the redemption feature of the vote made on Feb. 16, 1932, as to the payment of the deficit. Mr. Hart moved and Mr. Shirley seconded, that the County Commissioners be authorized to issue bonds of the County for \$85,000 at the lowest rate of interest possible. This motion was accepted unanimously.

Mr. Shirley moved, and it was seconded and carried, that the County pay \$5,000 per year beginning January 1, 1935, until paid. After discussion Mr. Winkley moved, and it was voted, that the salary of the County Commissioners be left as at present. Voted that Mr. Sanborn be authorized to present to the Rules committee an enabling act for the issuance of bonds. Adjourned.

Margaret E. Hunter, Clerk.

Commissioners' Report

To the Citizens of Carroll County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Carroll County submit the annual report of the County Commissioners, the Superintendent of the County Home, the County Treasurer, Clerk of the Superior Court, Sheriff, Solicitor, and Auditors, for the year ending December 31, 1933.

Under the continued direction of Mr. John W. Craig as Superintendent, and Mrs. Mary J. Craig, as Matron, the Home has been operated in a most satisfactory manner. Their work has been so extraordinary and the improvements which are continually being made have brought only words of commendation from all visitors to Carroll County Home during the past year.

The water supply for the County Home was found inadequate this summer for the needs of the inmates and left the Home without any fire protection for a good part of the summer months. The delegation was called at a special meeting and voted for the Commisisoners to have a well driven. This has been done and an amply supply of water has been obtained not only for the County Home but for the Court House as well.

The County Home has been painted this last year, using the regular help on the farm, assisted by House of Correction inmates.

To Mr. and Mrs. Craig, we express our sincere appreciation of their efficient management of the Carrol County Home and their kindness to all those connected therewith.

CHARLES M. TOWLE,
CHARLES E. SMART,
PERCY F. GARLAND,
Commissioners of Carroll County.

AUDITORS' REPORT

CARROLL, SS.

To The Superior Court:

The undersigned Auditors for said County of Carroll respectfully represent and report that we have examined the accounts of the County Commissioners, County Treasurer, and Supt. of the County Farm, from July 1st to December 31st, 1933, inclusive, and find them supported by proper vouchers.

We believe that articles purchased for the County have been bought at their market value and used for the benefit of the County.

We have audited the bills of the County Commissioners for services and expenses during said term amounting to \$2,748.57.

ARTHUR E. KENISON,
EUGENE M. DRAKE,
County Auditors.

Solicitor's Report

To the Commissioners of Carroll County:

As required by law I enclose herewith a detailed statement of cases handled by the sheriffs and myself during the year 1933.

I have no recommendations to make in regard to the criminal work in this county.

At the present time there is being installed a system of finger prints and photographs to identify all men held in our County Jail or House of Correction.

During the past year the work of the sheriffs has been very efficient. Probably the outstanding example of this is the arrest of Harry Hobbs within thirty minutes after the accident in which he was involved causing the death of four men.

Respectfully submitted,

PRESTON B. SMART,
Solicitor for Carroll County.

PHYSICIAN'S REPORT

To the Commissioners of Carroll County:

Gentlemen: I herewith submit my report as physician at the County Home for 1933:

The past year has been a busy one in the hospital portion of the home. There were 1,673 hospital days with a daily average of $4\frac{1}{2}$ patients for the year.

Illness for the year has been largely confined to diseases of old age and to common colds and grippe. There were no epidemics and no contagious diseases. There were 11 births and 12 deaths.

I wish to thank Mr. and Mrs. Craig for their cooperation and all those who have helped make the sick comfortable during the past year.

Respectfully,

F. J. C. DUBE, M. D.
